# Off-Campus Access to Full-Text

Most of the library's electronic resources - databases, journals, books and reprints are only accessible to Tel-Aviv University community and are not accessible to the general public. To access these resources off campus please configure the proxy settings in your computer.

This is a one-time step that will serve you throughout your studies.

Configuring Proxy Settings for Microsoft Edge – New Version

- Look for the "Settings" sign ⋯ on the side of the address bar and click it.
- In the menu, click on Settings.

- In the Search settings search bar, on the left, type Proxy.
- Click on the Open your computer's proxy settings result on the right
- In the window that opens turn off Automatically detect settings.
- Turn on Use setup script.
- In the Script address type: https://www.tau.ac.il/remote.pac
- Save the new settings.
- Restart the browser and go to the library homepage.

Whenever you connect to the library's resources, an identification screen will automatically appear.
